

Agua Azul Oasis (A2O) is more than a day spa; it's an unforgettable experience and an invigorating 'journey' to the Mediterranean. Housed in the beautiful Woodland Stables with its charming Italian Renaissance architecture, Agua Azul is located in one of Chico's premier office parks, Philadelphia Square.

Our Mediterranean-themed spa focuses on the healing of the entire man and woman. The services and products offered were chosen for their wellness properties. We are committed to the wellness of the whole person: body, soul and spirit.

Each of our service rooms has a different theme and name chosen from the Mediterranean region. Whether relaxing in the men's or women's lounge, the Grotta Azula, the steam sauna or the Tuscan Room, the warm and peaceful ambience of Agua Azul will surely alleviate the cares of the day.
